CONSTRUCTION

Design-Build
Integrated Project Delivery
Design-Bid-Build

Mechanical & HVAC Construction

HVAC Installation & Replacement
Sheetmetal (Ductwork)
Refrigeration Piping
Hydronic / Steam Piping
Specialized Ventilation & Exhaust

Construction Management

Building Infrastructure Construction
Low Voltage Integration

BUILDING INTELLIGENCE

HVAC Controls Design & Integration

Open Systems via IP, BACnet & LON
Direct Digital Controls
Pneumatic Controls
Maintenance & Service

Security & Access

Video Surveillance
Access Control Systems

Energy & Electrical Infrastructure

Power & Power Quality Monitoring
Building Analytics
Energy Dashboards

Facts-at-a-Glance

Founded: 1984

Contractor's License: 523044
Classifications: B/C-10, 20, 36

DUNS: 11-856-3139

Bonding Capacity:
\$10M per project
\$25M aggregate

NAICS:

238220 - HVAC
238210 - Building Automation
236220 - Construction

Union Affiliation:

Sheetmetal Local 105

Certifications:

Our Clients

Judicial Council of California
Kaiser Permanente
City of Hope
Southern California Gas Co.
Disney Worldwide Services
McCarthy Construction
Macy's
Comcast NBC Universal
Los Angeles County Metro
Chukchansi Gold Resort & Casino
NASA
LA County Internal Services Dept

Our Difference

- NMSDC National Minority Supplier of the Year (Nominator: Disney)
- WBEC-West Woman-Owned Supplier of the Year
- Kaiser Permanente 2018 Exceptional Partner Award
- Industry-leading Safety Rate (EMR)
- Complete range of insurance including Errors & Omissions and Pollution Liability
- In-house, dedicated Construction Supervision
- In-house MEP design team
- In-house controls design team
- Project Management powered by Procore Operating System
- In-house 3D Building Information Modeling capabilities (AutoCAD MEP, Revit & Navisworks) with full-time detailing staff
- LEED Professionals assigned to each project
- Certified Energy Managers, Professional Engineers, & Engineers in Training on staff
- Quarterly safety training using ClickSafety Online
- All personnel are either OSHA 10 or OSHA 30 certified and CPR / First Aid certified

What We Install & Integrate

Our Vendor Partners

We're a Schneider Electric EcoXpert Partner - part of a worldwide network of Schneider Electric trained and certified system integration partners. This gives us access to all of Schneider's category leading building automation, energy, and security/access brands.

Authorized Controls Integrator

We're a Honeywell Authorized Controls Integrator giving us access to Honeywell's entire commercial product portfolio. Our team is trained in Honeywell's WEBs-AX and the Niagara platform.

IP Security Cameras
